Cllr Lowe attended the Charltonbury festival last week – a performing arts events with food etc but the interest in climate emergency wasn't really the focus.

Jane Bundy – wanted to mention that the Climate Action Hub also attended the litter pick. PA apologised for missing this out on the last minutes.

A discussion was had about the success of the litter pick organised by Cllr Davis. It was very well run and well attended. It also got a lot of media attention and was in the paper.

6. Report on Youth Climate Summit 2022 in Ironbridge (A Lowe)

Cllr Lowe gave a brief run through of the all-day event that he attended with Kelly White (The Little Green Pantry). The quality of the speakers was exceptional – organised by Cllr Carolyn Healy and Ian Wykes – who recently joined T&W Council to lead the Climate Change team. Charlton and Ercall Wood schools were there (it was just secondary schools). Susanne Bearblock did an Action Plan Workshop. AL feels this highlights how seriously T&W Council are taking climate change.

7. Plastic Free Update

PD sent the update, which was circulated to all members. KK went through the update and spoke about the community allies. AL said we have 6 schools and is also due to see Ercall Wood next week.

Also discussed was an update on the businesses. KK will chase up the existing applications. Saturday Cycles gave an update on their status.

Nature Festival is on 9th August. JB ran through what they are going to be doing. Asking for plastic bottles and about 20 tetra packs, yogurt pots etc

DS – will ask if the Shropshire Cycle Hub can bring the rickshaw to give the kids rides around the park.

AL has asked Veolia if we could visit their site in Staffordshire – they do have a big back log of visitors but there is interest.

PA mentioned the plastic free awards <https://www.plasticfreeawards.com/> and spoke about nominations.

KK mentioned that Quillie had asked for Instagram reels about how the businesses reduce plastic and how people can make changes.

AL mentioned that there are 2 other groups he is a part of where he represents Wellington: Climate Change Borough Partnership (next meeting 14th July) and Plastic Free Taskforce / Sustainable Telford and Wrekin (28th July.)
