

Changes to buses in Donnington and Muxton

from Saturday 23 April 2022

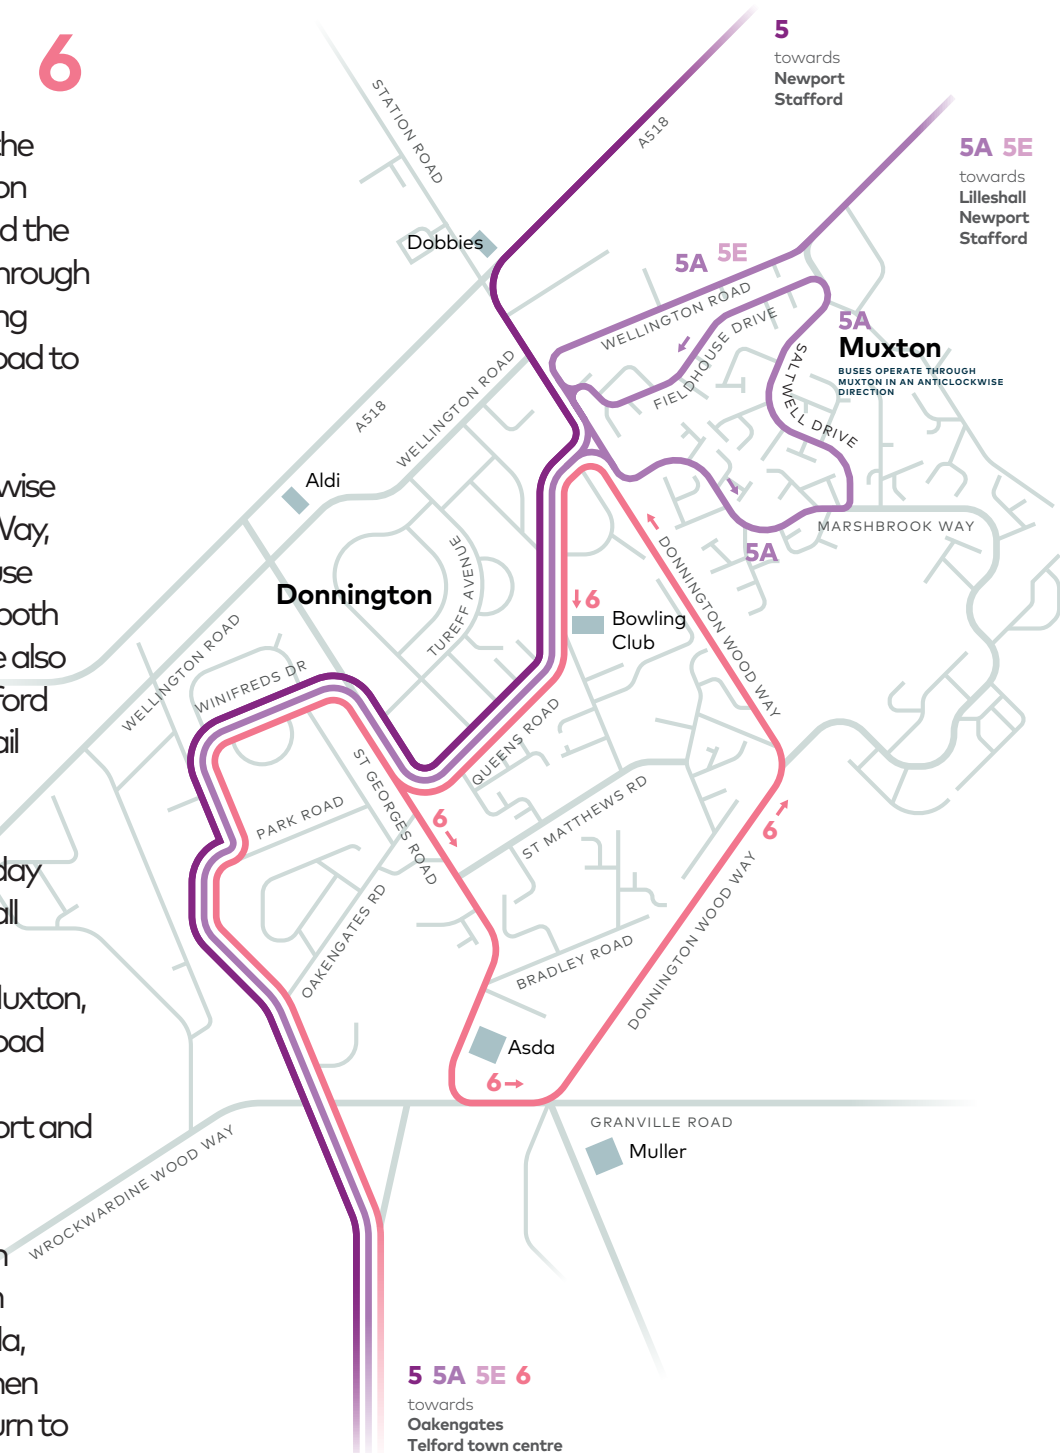

5 5A 5E 6

We're making changes to the network around Donnington and Muxton. We've reduced the number of buses running through Lilleshall, with route 5 running direct along New Trench Road to Newport.

Route 5A runs an anticlockwise loop around Marshbrook Way, Saltwell Drive and Fieldhouse Drive on journeys towards both Stafford and Telford. We're also changing the stops in Stafford town centre - stop at the rail station and Chell Road.

Route 5E runs during Monday to Saturday evenings and all day on Sundays. The route doesn't operate through Muxton, continuing from Queens Road to Wellington Road before heading to Lilleshall, Newport and Stafford.

New route 6 will operate an anti-clockwise circular from Donnington Parade to Asda, Donnington Wood Way, then down Queens Road to return to the town centre.

Changes to buses in Lawley and Arleston

from Saturday 23 April 2022

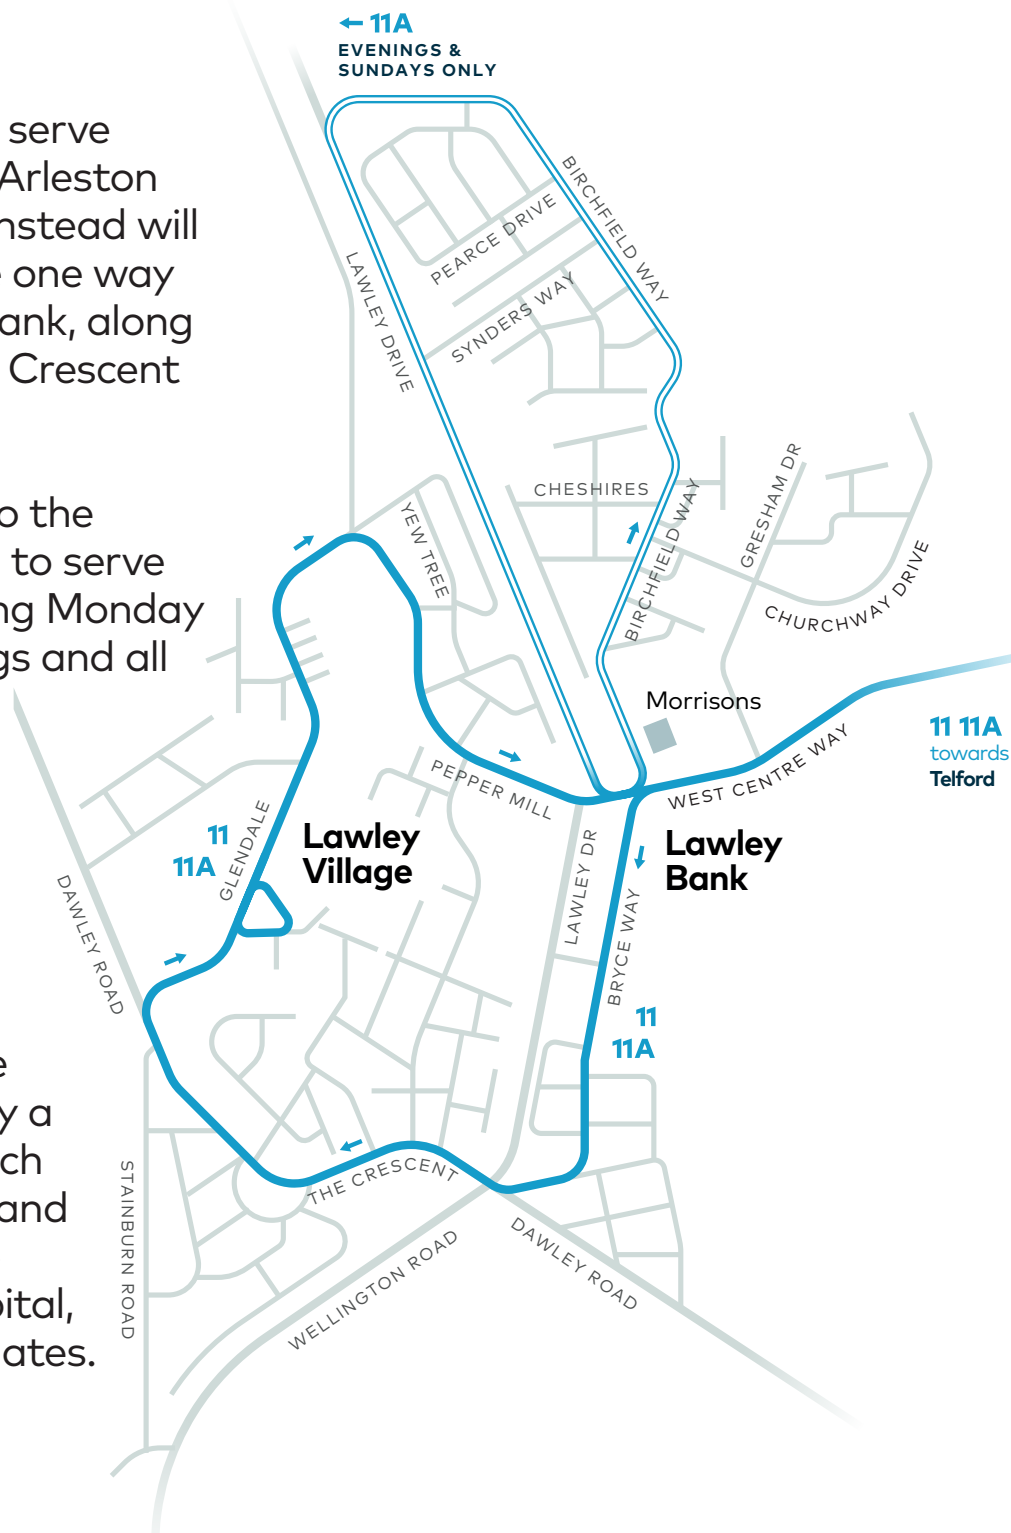

11 11A

Buses will no longer serve Wrekin Retail Park, Arleston or Wellington, and instead will operate a clockwise one way loop from Lawley Bank, along Bryce Way and The Crescent to Lawley Village.

There's no change to the **11A** which continues to serve Birchfield Way during Monday to Saturday evenings and all day Sundays.

15

Arleston will now be served every hour by a revised route **15** which calls at Wellington, and creates new links to Princess Royal Hospital, Hadley and Oakengates.
